MORE than 50 kindergarten two children from Taman Asuhan Kanak-Kanak (TASKA) Yayasan Sultan Hj Hassanal Bolkiah (YSHHB) transformed to little chefs for a day to learn the art of pizza-making at Pastamania yesterday.

Decked with a chef's hat and apron, they were taught how to make their own pizzas step-by-step by Chef Edmond. With a prepared pizza dough base and sauce, the kids got creative to decorate and play with the flour and their toppings. The children got to taste their own creations after they were done baking.

Prior to the pizza-making, Pastamania staff gave an introduction and fun facts about pizza, before taking the group on a tour of the kitchen.

The visit ended with a presentation of appreciation certificates to the young participants.

The educational trip was aimed at teaching the children life skills, such as the importance of hygiene and cleanliness in cooking, on top of making their own pizzas.

It is divided into nine days for differen groups according to the classes that have been set.
